**RE: NEW PARTICIPANT ENROLLMENT PACKETS**

As we are all continuing to learn about the impacts the coronavirus has had and will have on our lives, those of us at All Aboard have been re-thinking our business processes and re-focusing on the safety of our participants, staff, and volunteers. It is our responsibility to keep everyone safe and protected, including the business operations, so that All Aboard will be here for all our participants well into the future.

Attached in this mailing is the new "Enrollment Packet" for All Aboard. We require that EVERYONE attending any All Aboard program (at the center or at bowling) complete this packet before they return to All Aboard activities. We realize some of you have been very good at updating and returning your intake forms. However, we've had many that have not updated the contact or safety information for their participant, some who do not print clearly, and/or some who do not keep their participant home when they are ill.

This new enrollment packet is an effort to strengthen the safety of all our participants, staff, and volunteers.

Keep checking our Web Site and Facebook page for updates on when we can open again!

Please mail your COMPLETED packet to:

Thank you for your understanding and your prompt response.
